Important Plan Information

Zing Health is a Medicare Advantage plan with a Medicare contract. Enrollment in the plan depends on contract renewal.

This easy-to-use guide helps you to understand what benefits are covered by the plans. The benefit information provided is a summary of what we cover and what you can expect to pay. It does not list every service that we cover or list every limitation or exclusion. For a complete list of services we cover, call us, or request the “Evidence of Coverage” booklet.

For more information, please call us at **1-866-946-4458 (TTY users should call 711)**, or visit us at **www.myzinghealth.com**.

Who can join?

To join **Zing Essential Wellness IL (HMO-CSNP)**, you must be entitled to Medicare Part A, be enrolled in Part B, live in the plans service area, and must have one of the following chronic conditions: cardiovascular disease, congestive heart failure, and/or Diabetes Mellitus. The service area includes the following counties:

Zing Essential Wellness (HMO-CSNP) H-7330-003: DeKalb, DuPage, Kankakee and Lake counties.

Zing Essential Wellness (HMO-CSNP) H4624-010: Boone, Cook, Kane, McHenry, Ogle, Will and Winnebago counties.

What providers can I use?

Zing Essential Wellness IL (HMO-CSNP) has a network of doctors, hospitals, pharmacies, and other providers. As a member you must select an in-network primary care physician (PCP). Your plan does not require a referral to see a specialist. In some instances, a prior authorization may be required for some services you receive. Except in emergency situations or out-of-area urgently needed services, if you use providers that are not in our network, the plan may not pay for these services.

Members of this plan will have access to nurses who are called Care Managers. Care Managers work in conjunction with members and their healthcare providers to close gaps in care and support individualized care plans developed to address members specific needs geared toward improving health related outcomes.

What are our hours of operation?

Hours of operation are between 8 a.m. and 8 p.m. Monday through Friday (from April 1 through September 30) and 8 a.m. to 8 p.m. 7 days a week (from October 1 through March 31).

- If you are a member of this plan, call toll free **1-866-946-4458 (TTY users should call 711)** or visit us at **www.myzinghealth.com**.
- If you are not a member of this plan, call toll-free **1-866-946-4458**.

What does Original Medicare cover?

If you want to know more about the coverage and costs of Original Medicare, review your current “Medicare & You” handbook. View it online at www.medicare.gov or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

This document is available in other formats such as braille, large print or audio. This document is also available in Spanish. For additional information, call us at **1-866-946-4458**, (TTY users should call 711).

OUTPATIENT PRESCRIPTION DRUGS (continued)

Coverage Gap Stage

Most Medicare drug plans have a Coverage Gap (also called the “donut hole”). The coverage gap begins after you and your drug plan together have spent **\$4,430** for covered drugs.

After you enter the coverage gap, you pay **25%** of the plan’s costs for covered brand name drugs and **25%** of the plan’s cost for generic drugs until your cost total **\$7,050**. During this stage, you will continue to pay the same retail, mail-order, and long-term care copay as in the Initial Coverage Stage for drugs on Tier 1. Also, during this stage, your out-of-pocket costs for select insulins will be up to **\$35**.

For generic drugs, the amount paid by the plan (**75%**) does not count toward your out-of-pocket costs. Only the amount you pay counts and moves you through the coverage gap. You will remain in the coverage gap stage until your drug costs total **\$7,050**, which is the end of the coverage gap. Not everyone will enter the coverage gap.
