## **Section 1 – Introduction**

This directory provides a list of Zing ESRD Select MI (HMO C-SNP)'s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers listed in this directory to be your **Primary Care Provider (PCP)**. Generally, you must get your health care services from your PCP.

A “PCP” is your Primary Care Provider. When you become a member of the plan, you must choose a network primary care doctor to be your PCP. Your PCP is a provider who meets state license requirements and is trained to give you basic medical care. A PCP may be an Internal Medicine, Geriatrics, Family Practice, General Practice, and some Nurse Practitioners and Physician Assistants under the guidance of a physician.

Having a PCP is an important step in managing your overall well-being. As a doctor who gets to know your medical history best, your PCP can provide you with routine healthcare and ongoing preventive care to keep you as healthy as possible.

You will usually see your PCP first for most of your routine health care needs; however, there are a few types of covered services you may get on your own, without first contacting your PCP. See Chapter 3, Section 2.2 of your *Evidence of Coverage* for more information.

If you need to see Specialists (for example a cardiologist or specialist in diabetes) or get other services such as: X-rays, lab tests, physical therapy, you may need to get a prior authorization from your PCP or from Zing ESRD Select MI (HMO C-SNP) to a network specialist or other provider. Your PCP will also help make sure all your care is coordinated. In some cases, your PCP will need to get a prior authorization (prior approval). Chapter 4 of your *Evidence of Coverage* has more information on which services require prior authorization.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory.

Zing ESRD Select MI (HMO C-SNP) is a Provider Specific Plan (PSP) and has a network of doctors, hospitals, pharmacies, and other providers. **As a member of this PSP, you must also select a Nephrologist from the Nephrologists listed within this allowable network.** You must use network providers except in emergency situations or out-of-area urgently needed services, if you use providers that are not associated with Zing ESRD Select MI (HMO C-SNP)'s PSP network, the plan may not pay for these services. If you go elsewhere without proper authorization you will have to pay in full. The only exceptions are emergencies, urgently needed services when the network is not available (that is, in situations when it is unreasonable or not possible to obtain services in-network), out-of-area dialysis services, and cases in which Zing ESRD Select MI (HMO C-SNP) authorizes use of out-of-network providers.

In the event you receive a bill from an in-network or out-of-network provider for authorized care or care you thought was authorized, do **not** pay the bill. You should submit the bill to Zing ESRD Select MI (HMO C-SNP) for processing and determination of your liability, if any.
