Section 1 – Introduction

This directory provides a list of Zing Health’s network providers.

The network providers listed in this directory have agreed to provide you with your supplemental/routine, non-Medicare covered vision, hearing, or dental services. You may go to any of our network providers listed in this directory.

Out-of-network providers are under no obligation to treat Zing Health’s PPO enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Service Department at 1-866-946-4458, 7 days a week from October 1 – March 31 (except Thanksgiving and Christmas Day) and 8:00 a.m. to 8:00 p.m., Monday – Friday, April 1 – September 30. TTY users should call 711. You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

In the event you receive a bill from an out-of-network provider do **not** pay the bill. You should submit the bill to Zing Health for processing and determination of your liability, if any.

For HMO plan, you must use network providers except in emergency or urgent care situations. If you obtain routine care from out-of-network providers, neither Medicare nor Zing Health Plan will be responsible for the costs.

For PPO plans, with the exception of emergencies, it may cost more to get care from out-of-network providers.
